

# Sample Float Plan

This is one example of information you can include in a float plan. You can always include more information. The more information you include the easier it might be for Search and Rescue to locate you. This plan can save your life. Take the time to fill it out properly.

## Overview

### Where & When are you going:

Destination Area: \_\_\_\_\_

Departure Date: \_\_\_\_\_ Return Date: \_\_\_\_\_ Return Time: \_\_\_\_\_

### What are you doing:

(e.g. relaxed touring, vs. looking for surf, vs. paddling as far as we can each day)

---

---

---

### Who is going:

Name: \_\_\_\_\_ Experience/Certification Level: \_\_\_\_\_

Name: \_\_\_\_\_ Experience/Certification Level: \_\_\_\_\_

Name: \_\_\_\_\_ Experience/Certification Level: \_\_\_\_\_

Name: \_\_\_\_\_ Experience/Certification Level: \_\_\_\_\_

## Details

### Transportation:

Vehicle Make, Model & Colour: \_\_\_\_\_

License Plate: \_\_\_\_\_

Vehicle Make, Model & Colour: \_\_\_\_\_

License Plate: \_\_\_\_\_

Parking at Launch Location: \_\_\_\_\_

### Kayaking Route

Date: \_\_\_\_\_

Paddle from: \_\_\_\_\_

To: \_\_\_\_\_

Date: \_\_\_\_\_

Paddle from: \_\_\_\_\_

To: \_\_\_\_\_

Date: \_\_\_\_\_

Paddle from: \_\_\_\_\_

To: \_\_\_\_\_

Date: \_\_\_\_\_

Paddle from: \_\_\_\_\_

To: \_\_\_\_\_

Backup Plan: \_\_\_\_\_

### Boats:

	Style	Make	Deck Colour	Hull Colour
1	_____	_____	_____	_____
2	_____	_____	_____	_____
3	_____	_____	_____	_____
4	_____	_____	_____	_____

## Participant Details

<b>Name:</b>		
<b>Age:</b>		
<b>Emergency Contact:</b> <small>(name, relationship, phone)</small>		
<b>Vehicle:</b> <small>which of the vehicles above will they be driving/riding in</small>		
<b>Kayak:</b> <small>which of the kayaks above will they be paddling</small>		
<b>PFD colour:</b>		
<b>Tent:</b> <small>colour, size and make</small>		
<b>Tarp:</b> <small>colour</small>		
<b>Medication &amp; Medical conditions:</b>		
<b>Communication:</b> <small>cell number, inReach, VHF MMSI number, etc.</small>		

## Emergency Equipment:

*List all emergency equipment you are bringing with you such as extra food & water for xx days, extra prescription medication for xx days, first aid kits, communication devices, flares, immersion gear, etc.*

---

---

---

## Emergency Protocol

*(What to do if not back at the expected time)*

*E.g. try to call all participants, then call other participant's emergency contacts to see if they have heard from the, then call launch point and ask if the vehicles are there, then call Coast Guard and provide them with all the detail from this plan -especially # of participants, boat & PFD colours and tent/tarp colours are very useful to them)*
